Acknowledgement of Patient Financial Responsibility

All patients are required to complete provided forms as determined by Internal Medicine Associates, LLC. No provider-patient relationship is established until forms are completed and the provider has personally evaluated the patient. Refusal to complete certain forms is a basis for the provider to decline evaluation of a prospective patient.

- Internal Medicine Associates, LLC bills your insurance. In order to verify your plan, you must provide current insurance information and valid government issued photo identification.
- It is not possible for Internal Medicine Associates to know the specific benefits of your plan. **It is your responsibility to be aware of your coverage and to ensure that your bill is paid.**
- **It is your responsibility to verify coverage and benefits with your insurance company prior to an evaluation, testing, or procedure. This may include getting authorization by your insurance company before the service, if that is required under your plan.** In many instances, your provider may order testing independent from Internal Medicine Associates. Such organizations can include laboratories, imaging facilities, outpatient procedure centers and hospitals. These facilities and related professionals will bill you and your insurance for their services. Our office will provide them with your billing information, but is not responsible for the administration or billing of those services.
- **Payment of deductible:** if not already met, the portion of charges that the patient is responsible for, is required **at the time of service.** Payment can be made by cash, check, or credit card. Payments are accepted in office, by telephone or online via our secure payment portal www.internalmedak.com. If you need to make other financial arrangements, please ask for an account representative.
- **Your insurance company** may pay on charges according to their **usual and customary fee scale.** In the event your insurance company determines a service is “not covered” or above the “usual or customary charges”, you will be responsible for the balance due.
- **Cancellation Policy/ Fee Scale:** In order to manage provider availability, if you need to cancel or reschedule, it is your responsibility to notify Internal Medicine Associates **prior to your appointment/procedure. Failure to do so, failure to show for appointment/procedure or failure to show up on time may result in the following charges as noted in the below fee table, for which you are personally responsible:**

Office Visits	Procedures*
Locations: Internal Medicine Associates: Anchorage Wasilla, and Fairbanks <i>Must be cancelled with at least 24 hours' notice to avoid incurring a \$50.00 no show/late cancel fee.</i>	Locations: Anchorage Endoscopy Center, Alaska Regional Hospital, or Providence Hospital, Susitna Surgery Center, Fairbanks Memorial Hospital <i>Must be cancelled with at least 48 hours' notice to avoid incurring a \$250.00 no show/late cancel fee.</i>

**Other facilities may have separate no show/late cancel fees.*

- **I acknowledge and agree that I have been offered a copy of Internal Medicine Associates Notice of Privacy Practices.**
- **I acknowledge and agree to all financial responsibilities as outlined in this agreement.**
- **I authorize Internal Medicine Associates, LLC to bill my insurance and release medical or other information necessary to process my medical claims. I request payment of government or other insurance benefits to Internal Medicine Associates, LLC.**
